SHARPSGUARD®

Safety, Service and Support -
Every Day, Affordably & Responsibly

A MAUSER Company

SHARPSGUARD®

theatre⁺

The **NEW SHARPSGUARD®** container by DANIELS®

Time Saving

- Replace containers less often with generous usable capacity
- Easy to store – space optimisation

Affordability

- 29% increased* usable capacity (24.8 to 32 litre)
- Dispose of more waste per container
- Reduced disposal costs with a lighter* container

Compliance/Safety

- Point Of Use training (EU Directive) via unique QR code
- Complies to exacting standards:
 - ISO 23907
 - UN3291

*Against previous container (SHARPSGUARD® theatre)

Better Storage

- Less space required OR store more – YOUR choice
- Inter stackable containers – easy to store
- Best space utilisation – smaller* cartons
- Fewer deliveries*

Ease of use

- Easy to carry
- Simple locking mechanism
- User friendly disposal via large hands free aperture
- Easily identified front of container – Lid, Label, Feet.

Ideal for Theatres

- Specifically designed for the safe disposal of long instruments
- Guide wires etc. – easily disposed
- Hands free appropriate aperture
