

## Reliable Performance for *Food-Handling Tasks*

The **Showa Best Nitri-DEX® 707** is a light glove with a 'second-skin' feel that offers excellent grip and a high level of dexterity in damp or greasy conditions.

Manufactured from **100% nitrile**, **cross-contamination** risks and **latex allergies** are minimised.

### Key Features

- 100% nitrile - prevents ingress from oils, greases and fats
- EN374-3 compliant - protection from most chemical based detergents
- Superior dexterity and comfort - even over a cut-resistant liner
- Secure grip - tractor tread finish on palm and fingers
- Available in flocked and unflocked versions
- Less waste - uniquely packaged (L/R hand specific) (unflocked version only)
- Sizes S, M, L, XL  
*(other sizes available on request)*
