SGS EC 03 1011

Globus (Shetland) Ltd.

EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

Skytec® Ninja Lite polyurethane coated gloves, blue seamless machine knitted nylon liners with a black polyurethane palm dip coating with integral elasticated wrists, which are available in six nominal hand sizes.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 388:2003 (Protective gloves against mechanical risks) for a performance classification of 4,1,3,1 on the coated surface.

The manufacturer's information notice (Skytec Ninja Lite Polyurethane coated palm, user information), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file specification PP.TF.(PPE 2).GS.12-8-6-PU, issue 1 with supplement.
